

CHANGE OF ADVISOR REQUEST (AMRS, MA, MDiv)

All Divinity School master's students are assigned a primary faculty advisor when they matriculate in to their degree program—this in addition to advising support they receive from degree program directors and the Associate Dean of Students. While students are free to consult any member of the faculty on matters related to their research, curricular planning, and professional aims, they may also request a formal change of faculty advisor, pending the consent of the new advisor and the approval of the Associate Dean of Students.

Procedures:

1. Complete this form, securing the agreement of the new faculty advisor (as indicated below).
