

HALF-TIME ENROLLMENT STATUS REQUEST

Complete this form to request a half-time enrollment status, and return in to the Dean of Students Office in the Divinity School or via email at divinitydos@uchicago.edu. The MA and MDiv programs require full-time enrollment. Students with special circumstances may petition to enroll at half-time status. Half-time enrollment limits students to registration in two courses per quarter. Quarterly tuition is assessed at a lower amount, and divisional aid is reduced proportionally. Entering half-time status affects students' degree completion timeline.
